

The Benedict & Ignatius Scramble

In July, we have memorials for two religious founders: Benedict of Nursia and Ignatius of Loyola. Below are the names of the founders and ten other holy members of their orders. You have to find the full name of a Jesuit and a Benedictine in each string of letters. All the letters will be used. The names read from left to right. In case you get stuck, watch for our posts this month featuring some of the saints in this puzzle.
